

Joint Information Group (JIG)

We are looking for new members to join for friendly, fun and sociable support after your hip or knee replacement.

We hold informal drop in coffee mornings every six weeks at Whipps Cross Hospital along with an annual fundraising event and a day trip in the summer.

Members from JIG, January 2009

Aims of the group are to:

- Provide support for patients waiting for a hip or knee replacement.
- Provide support for patients after a hip or knee replacement.
- Provide support and feedback to the Orthopaedic Department so that we can continue to develop the service.

Our next coffee morning is on the:
